Dear Mr. Madera:

This letter serves to acknowledge receipt of your application and the correct payment for the Tier I Permit referenced above. The Department received your application on May 15, 2003. In accordance with 310 CMR 40.0720(8), the Department has 75 days from this date to perform its review and (1) provide a Notice of Extended Review, (2) issue a decision to grant the permit with conditions, or (3) deny the application.

If the Department does not act on your application within these 75 days, your Tier I Permit request shall be considered presumptively approved by the Department in accordance with 310 CMR 40.0720(6).
