RE: Notification of Suspension of Field Activities, DEP File No. 322-0564,
430 Boston Post Road, Former Raytheon Facility

Dear Mr. Monahan:

Environmental Resources Management (ERM), on behalf of Raytheon Company (Raytheon), has prepared this notification of suspension of field activities with Condition Number 26 of the Town of Wayland Conservation Commission (Con Com) Order of Conditions and Wetlands and Water Resources Permit (Chapter 194), dated 20 November 2003.

ERM submitted notification on 7 September 2004 to the Con Com indicating that activities would recommence. However, due to precipitation and the elevation of the Sudbury River, activities have not recommenced and have been halted until further notice. ERM will notify the Con Com prior to recommencing.

Should you have any questions or require additional information please contact the undersigned at 617-646-7800.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeremy J. Picard". The signature is fluid and cursive, with a large initial "J" and "P".
