Re: Request for Extension of Order of Conditions
DEP File No. 322-647
Former Raytheon Facility
430 Boston Post Road, Wayland, Massachusetts

Dear Mr. Monahan and Commissioners:

On behalf of Raytheon Company (Raytheon), Environmental Resources Management (ERM) requests a 1 year extension of the Order of Conditions (OOC) for DEP File No. 322-647 issued 8 August 2006. The purpose of this request is to continue the second and final year of wetland monitoring as required by the OOC in Special Condition 35 attached to the Town of Wayland Wetland Bylaw Chapter 194 (Wetland Bylaw) and Special Condition 46 in Attachment A to the Wetlands Protection Act Form 5 Order of Conditions (WPA).

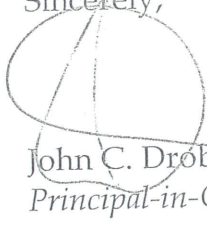

As documented in the Phase IV Completion Report (ERM, 28 December 2008), intrusive activities associated with the project are complete and only wetland monitoring remains unfinished. A 1-year extension will result in a new expiration date of 8 August 2010 for the OOC.
