Re: Transmittal of Chapter 194 Application Form for Request for
Certificate of Compliance
DEP File No. 322-0647
Former Raytheon Facility
430 Boston Post Road, Wayland, Massachusetts

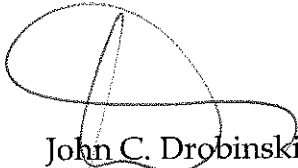

Dear Mr. Monahan:

On behalf of Raytheon Company (Raytheon), Environmental Resources Management (ERM) is submitting the attached form "Wayland Wetlands and Water Resources Bylaw, Chapter 194 Application" (Chapter 194 Application) to complete the request for Certificate of Compliance for Massachusetts Department of Environmental Protection (DEP) File Number 322-0647.

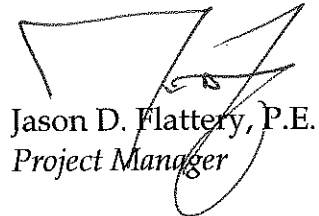

Raytheon's request for a Certificate for Compliance was initiated with the submission of a letter dated 19 November 2009 that included the documentation required by the Order of Conditions issued 8 August 2006. That letter did not include a signed Chapter 194 Application. Mr. Monahan verbally agreed via telephone on 19 November to accept the signed application under separate cover to allow time for coordination with the two parties whose signatures were required on the form. The submittal of this application is intended to complete the package of documentation required by the Conservation Commission for a Certificate of Compliance.

Please contact either of the undersigned at (617) 646-7800 if you have any questions or require additional information.

Sincerely,

John C. Drobinski, P.G., LSP
