Re: Notice of Submission of Draft Phase IV Completion Report (RTN 3-22408) and Upcoming PIP Meeting on 6 November 2008
Former Raytheon Facility
430 Boston Post Road
Wayland, Massachusetts

Dear Mr. Benson R. Gould:

On behalf of Raytheon Company (Raytheon), Environmental Resources Management (ERM) has prepared this letter to inform members of the Public Involvement Plan (PIP) group of submission of a Draft Phase IV Completion Report for the Former Raytheon Facility at 430 Boston Post Road in Wayland, Massachusetts (Site) as part of ongoing Response Actions. This letter is also intended to inform the PIP group of the upcoming PIP meeting to be held 6 November 2008.

The Draft Phase IV Completion Report for RTN 3-22408 will be submitted for public review and comment on 6 November 2008. The document will be available at the public repositories and on the extranet (see information below). The Draft Phase IV Completion Report contains summaries of the soil and groundwater remediation programs recently conducted to abate chlorinated volatile organic compound impacts in the Northern Area of the Site. If you have any comments on this document, please forward them in writing by 8 December 2008 to:

Louis Burkhardt
Raytheon Company
880 Technology Park Drive
MS 3-3029
Billerica, MA 01821

A summary of the Draft Phase IV Completion Report will be presented during the next PIP meeting to be held 6 November 2008. The meeting will be held at 7:30 PM in the Community Meeting Room in the Wayland
