Dear Mr. Jeff Ritter:

Raytheon Company (Raytheon) submitted an Environmental Notification Form (ENF) to the Massachusetts Executive Office of Environmental Affairs (EOEA) on February 7, 2003 seeking approval for the proposed wetland remediation and restoration plan for the Site consistent with the Massachusetts Environmental Policy Act (MEPA). Raytheon proposes to excavate and restore approximately 1.5 acres of impacted wetland at the Site. As part of the MEPA process, public comments on the ENF are due to the Massachusetts Office of Environmental Affairs by April 4, 2003. Please forward any comments to the ENF to the following:

Attention: Mr. Nicholas Zavolas

In addition, the EOEA has requested a review of the Site for staff of the various Massachusetts regulatory agencies on March 12, 2003. The Site visit is part of the on-going MEPA permit application review process.

Copies of the ENF submitted to the Massachusetts Office of Environmental Affairs are available at the Wayland Public Library and the Wayland Board of Health Office. The application is also located on the Site Webpage:
