RE: Transmittal of Groundwater Analytical Data  
Former Raytheon Facility  
430 Boston Post Road, Wayland, Massachusetts

Dear Ms. Smith:

On behalf of Raytheon Company (Raytheon), Environmental Resources Management (ERM) is writing this letter to inform you that we will not be submitting the results of groundwater sample analyses from the Former Raytheon Facility located at 430 Boston Post Road in Wayland, Massachusetts (Site). ERM was unable to access the intended wells for sampling due to high water levels. ERM will attempt to sample these wells during the July 2008 sampling round.

If you have any questions or comments, please contact the undersigned at (617) 646-7800 or Louis Burkhardt, Raytheon Company, at (978) 436-8238.

Sincerely,

John C. Drobinski, P.G., LSP
